

Photography and Filming

Purpose

Safari Badminton will occasionally capture pictures and film of participants for the purpose of player development of Club promotion.

Statement of Use

Images captured may be used in any promotional media used by Safari Badminton including but not limited to, newsletters, posters, social media (i.e. Facebook) and the Safari Badminton website. They may also be circulated to the media for wider promotion of Safari Badminton. Photographs and video taken at any Safari Badminton delivered session may be kept on file indefinitely for future use. Safari Badminton will only use images for similar purposes for which they were originally captured.

Any individuals not wishing for their photograph to be taken or for their inclusion in a session captured on video should let themselves be known to Steve Farey, Safari Badminton Head Coach or any other coach leading an activity at the beginning of a session.
